

Psycholinguistic Workshop with Colin Phillips

University of Wrocław, December 16-18, 2015

Day 1 (Wednesday, 16 December 2015)

Time	R. 302 (lecture room), 301 (Colin's room), 317 and 5 (labs)
9:00-9:30	Welcome; a tour of the labs
9:45-11:15	LECTURE 1 Colin Phillips (University of Maryland) <i>Comprehension, Production, and Prediction</i>
11:30-13:00	Presentation 1 Dorota Klimek-Jankowska & Joanna Błaszczak (University of Wrocław) <i>The role of markedness in the processing of grammatical aspect in Polish</i>
13:00-15:00	Lunch break
15:00-16:30	Presentation 2 Anna Czipionka (University of Konstanz & University of Wrocław) <i>On the comprehension of particle verbs and their effect on case marking and subcategorization -- a magnitude estimation study and the preliminary EEG data</i>
16:45-18:15	Presentation 3 Johannes Gerwien (University of Heidelberg) <i>Feature attribution as the cognitive operation to construct the core of an event - Prerequisites and implications of radical incrementality during message generation</i>
18:30-	Dinner

Day 2 (Thursday, 17 December 2015)

Time	R. 302 (lecture room), 301 (Colin's room), 317 and 5 (labs)
9:45-11:15	Presentation 4 Barbara Tomaszewicz (University of Wrocław & University of Cologne) <i>Online semantic processing</i>
11:30-13:00	Presentation 5 Piotr Gulgowski (University of Wrocław) <i>Interaction of aspect and countability in Polish deverbal nominalizations</i>
13:00-15:00	Lunch break
15:00-16:30	Presentation 6 Juliane Domke (Humboldt University of Berlin) <i>P300 and/or N400?</i> <i>Processing strategies of context-</i> <i>based expectation and semantic integration:</i> <i>ERP evidence revealed by L1 and L2 speakers of German</i>
16:45-18:15	Presentation 7 Marta Ślęzak (University of Wrocław) <i>Syntax and semantics processing in bilinguals</i>
18:30-	Dinner

Day 3 (Friday, 18 December 2015)

Time	R. 302 (lecture room), 301 (Colin's room), 317 and 5 (labs)
9:45-11:15	LECTURE 2 Colin Phillips (University of Maryland) <i>The Nature of Linguistic Constraints: Explanation and Reductionism</i>
11:30-13:00	Individual or group meetings with Colin
13:00-15:00	Lunch break
15:00-19:00	Individual or group meetings with Colin
19:00-	Dinner
